CONTRIBUTIONS AND CHARGES 2024

The Education Act requires that government schools provide parents with information regarding the schedule of the maximum level of voluntary contributions and charges that they could be asked to pay in the forth coming school year.

The Canning Vale Education Support Centre schedule and explanatory notes are provided here for your information. As required by the Education Act the following has been endorsed by the School Board.

School Voluntary Contribution 2003 (Section 99)

Under the Education Act, 1999 there are a number of changes to the manner in which contributions and charges are requested from parents. One of the major changes is the requirement for schools to give parents details of the maximum costs that the education of the children will incur in the coming school year.

The costs can be broken into four sections:

- 1 Annual School Voluntary Contribution
- 2 Optional costs associated with an Educational Program
- 3 Personal use items
- 4 Optional costs for Non Educational Activities

Money collected from this area will be used to assist with paying for the following;
